

Please send me an e-mail by class time on Wednesday, January 15, with the following information:

- Your name
- Your status in the university (Ph.D. student/Master's student/Undergrad year)
- Your home department or program
- Whether or not you've taken a class discussing each of the following topics:
  - Metric spaces
  - Point-set topology
  - Baire category theorem
  - Tychonoff's theorem
  - Fourier series or Fourier transform
